August, 2020

To all Parents and Teachers:

In Compliance with the US Environmental Protection Agency (EPA) and the Asbestos Hazard Emergency Response Act (AHERA) an inspection for asbestos containing building materials was performed at each of our schools within the Diocese of Allentown. A copy of the inspection reports are on file in each school's Administration Office for your review anytime during normal school hours. In the event that you have any questions, please feel free to contact the school's Principal or the Diocese Asbestos Coordinator.
