

IMMACULATE CONCEPTION ACADEMY

LOVE, LEARNING, LEADERSHIP

October 7, 2020

Dear Parents and Guardians,

Last week our students had the opportunity to participate in the "Fun Run". Thank you, Mrs. Petras for all your hard work in preparing for this fun day. It was a great time had by all. Thank you, parents and students for your support and generous donations.

This past week our middle school students were introduced to CANVAS our new Learning Management System. Our middle school students completed in-class assignments, took tests, and can see their grades in CANVAS. Middle School parents should have received an email yesterday with directions on how to access CANVAS. Kindergarten through fourth grade will use CANVAS to access other applications such as Seesaw, and Flipgrid. Parents of elementary students will also see their children's grades. We will be sharing the directions with you shortly.

The eighth-grade students of Immaculate Conception will receive the Sacrament of Confirmation this Thursday. Please keep them in your thoughts and prayers so that they will be guided by the Holy Spirit to have the strength to live and practice their Catholic faith daily.

I wanted to share with you that Mrs. Grandinetti and Mrs. Goodrich both of whom have been absent due to necessary surgery are doing well. Please continue to keep them in your prayers. We look forward to Mrs. Grandinetti's and Mrs. Goodrich's return in mid-October.

Our families continue to be proactive by keeping students' home for allergy and cold related symptoms safeguarding our school community. The Academy family thanks you! As a reminder if you and your family plan to travel and/or if your child is being tested for COVID-19 the school must be notified. Thank you for partnering with us to keep everyone safe.

Please mark your calendars with some important dates.
