

# Youth Baseball and Softball Registration Open Now!

\*\*\*\*\* DEADLINE: March 7, 2021 \*\*\*\*\*

## Program Overview

Daniel Boone Athletic Association (DBAA) is the only Babe Ruth and Cal Ripken affiliated program in the Daniel Boone School District. Registration is open to all players who live and/or attend a school in the Daniel Boone School District (APC, AIC, DBMS, ICA, home school, etc). DBAA is the only Daniel Boone program that will allow kids to learn and play together through their high school careers. With multiple fields, by-laws guaranteeing playing time, and a player-first coaching approach, DBAA provides kids with recreational and exclusive Cal Ripken tournament opportunities from tee-ball through high school. Visit our website at [www.dbys.org](http://www.dbys.org) for more details or to sign up today.

## Spring Sports

Following state and locally approved Covid-19 guidelines, we were able to conduct a safe and competitive summer and fall baseball season in 2020. Looking forward to spring 2021, we remain optimistic about providing opportunities for our boys and girls to be on baseball/softball fields again this spring.
