

First Grade Supply List

Hello First Grade Parents!

My name is Ericka Major-Cruz, I usually go by Miss Cruz. I will be your child's first grade teacher! I cannot wait to meet all of you and your children! Included in this letter is a list of school supplies that your children should have for First Grade and should be brought to school the first day or within the first week of school.

-  a zipper/plastic case to hold school supplies (should be small enough to fit inside desk)
-  one box of Crayola crayons (8, 16, or 24 packs will work)
-  #2 pencils such as Ticonderoga (send a couple in at a time)
-  two large glue sticks (one to use and one as a backup)
-  one pair of child appropriate scissors
-  2 dry erase markers
-  contact paper to cover workbooks (keep this at home)
-  one medium book sock
-  two 2-pocket folders for other subjects
-  Rosary beads
-  one container of wipes (can be sanitary wipes or face/hands wipes)
-  one roll of paper towels
-  one box of tissues *
-  one bottle of hand sanitizer *

* these items are normally shared among the class, however, if you would feel more comfortable supplying your child with their own personal pocket size tissues and mini hand sanitizer, that will be fine!

I am looking forward to spending the upcoming school year learning and growing with your children! 😊

Warm Wishes,

Miss Cruz
