Dear Parents,

As the weather changes, it is always a concern for us to ensure the safety of your children. Of particular concern is the case of an unexpected early dismissal. Please review with your child your family's plan for such an occasion.

Snow Dismissal times announced that are from your corresponding school district are specific to the schools in that school district. Those times do not necessarily correspond to our dismissal times. Our times for ICA will be announced through the parent alert system

Each child must return this sheet to his or her homeroom teacher.

Sincerely,

Mrs. Lisa Forkin  
Principal
